

American Fisheries Society – Northeastern Division - **Dwight A. Webster Memorial Award**

This award is presented annually and is the most prestigious recognition given by the Northeastern Division. It may be awarded for any of the following achievements:

1. Lifelong contributions to fisheries science and the profession in the Northeast or while working in the Northeast;
2. Meritorious/prestigious service to the profession and fisheries;
3. Significant academic or technical accomplishments; and
4. Long-term service in the Northeastern Division as an AFS member.
